# Acknowledgements

Foremost, I would like to express my sincere gratitude to my advisor Dr. Arup Kumar Pal, Assistant Professor, Department of Computer Science and Engineering, Indian Institute of Technology (ISM), Dhanbad for his continuous support and help in all time. I am also thankful for his motivation, enthusiasm, and immense knowledge. I could not have imagined having a better advisor and mentor for preparing my thesis.

Besides my advisor, I would like to thank Prof. Haider Banka, Head of the Department, Department of Computer Science and Engineering, Indian Institute of Technology (ISM), Dhanbad, and also other faculty & staff members who were always available for help, as and when required.

I shall forever remain indebted to my family and my friends who always support me. Their constant encouragement, enthusiasm and support have helped me throughout my academic career and especially during my research work.
